GREETINGS FROM THE DEAN

Welcome to Surabaya, Indonesia!

Is a great honour for us to welcome you all at the International Seminar 5th Dentisphere. This Seminar which held on 5-6th June 2026 at Shangri-La Hotel Surabaya is one of my prides as the Dean of Dentistry Faculty of Hang Tuah University. This is also proofing one of Hang Tuah University's contribution both nationally and internationally in the field of dentistry. The theme of this year's seminar is "Next-Generation Dentistry: Bringing Science and Clinical Excellence" which aim is to provide a forum for exchanging the latest information in the field of dentistry. **The holding of this International Seminar indicates that we are able to adapt to the new circumstances. There is no limit that holds us back as long as we push our creativity in this adaptation beyond your imagination. We hope that through this event we can raise the professionalism in the field of dentistry for all participants.**

I would like give huge appreciation to our speakers from home and abroad: Iran, Japan, Malaysia, Taiwan, Korea, Thailand, Cambodia. Thanks for all contributions and participation and your willingness to come and share your knowledge and experience in dentistry. Also, for all the participants, thank you very much for joining the International Symposium 6th Dentisphere, I hope you can all enjoy the entire summary of the symposium.

Sincerely,

Dr. Kristanti Parisihni, drg., M.Kes
